Donor Recognition Program and Naming Opportunities

As part of the Ithaka Early Learning Center (IELC) Gifts Initiative, the Board of Directors is committed to recognizing all contributors, as specified below, who help to make the completion of the IELC a reality.

Starting at \$25, all contributors will be recognized on the ELC's website, unless anonymity is requested.

Naming Opportunities: \$10,000 or more

Certain locations lend themselves to the inclusion of a contributor's actual name - The George and Mary Smith Art Studio, for instance. Other areas such as the science room, staff lounge, or kitchen, for example, are more appropriate for the prominent placement of an attractive recognition plaque (situated nearby) that acknowledges the contributor's generosity but without "naming" the selected area. For example,

The renovation and furnishing of this kitchen and café
were made possible by the generosity of
Mr. and Mrs. John Doe
August 2018

The leaders of the campaign will work with contributors to tastefully accommodate their wishes.

Special Recognition Levels: \$250 and Above

Every contributor of \$250 or more will be acknowledged on a unique Donor Honor Roll that will be displayed prominently on the wall in the entrance of the Piazza – a community of supporters participating in the life of the school's town square:

Contributors at the following levels of support will be offered prominent recognition on the Donor Honor Roll.

Gold Supporters	\$1,000 - \$1,500
Silver Supporters	\$500 - \$999
Bronze Supporters	\$250 - \$499

full of adventure, full of knowledge."

Donors of less than \$250 will be recognized in campaign newsletters and on Ithaca’s website.
